---

**Important notices**

- Incoming students shall meet the academic coordinator during her office hours (see link below) as a previous step before official enrolment [http://www.eei.uvigo.es/eei\\_en/internacional/contacto.html](http://www.eei.uvigo.es/eei_en/internacional/contacto.html)
- Students will get their Learning Agreement signed by the Academic Coordinator of the School or Faculty that is indicated in their acceptance letter.
- Incoming students can enroll in subjects of any degree taught in the School (in the study level of the incoming student), with the exception of 4<sup>th</sup> year, 2<sup>nd</sup> term general elective subjects from the Bachelor Degrees, which can accept only a limited number of students. We do our best to accommodate incoming exchange students in these subjects and this has worked well to date, but please note that enrolment in these courses is subject to availability and confirmation is not possible until the end of December.

Also, please note that full compatibility between these subjects is sought when composing the timetables but cannot be guaranteed (EEI students are supposed to choose only one of them).

- Distribution of Bachelor degrees:

Bachelor degrees taught in the City (*sede Cidade*):

Technology Engineering  
Electronics & Automation Engineering  
Chemical Engineering  
Mechanical Engineering

Bachelor Degrees taught in Campus (*sede Campus*):

Electronics & Automation Engineering  
Electrical Engineering  
Management Engineering  
Mechanical Engineering
