Academic information for incoming students of the School

Timetables, exams, info about Bachelor & Master Degrees in Engineering & their respective courses, syllabuses, courses in English, etc.

<https://eei.uvigo.es/en/international/incoming-students/>

Courses in English (EEI)

<https://eei.uvigo.es/en/studies/teaching-in-english/teaching-in-english-for-academic-year-2020-2021/>

Lecture periods

1st term: from 21/Sep/2020 to 22/Dec/2020

2nd term: from 1/Feb/2021 to 14/May/2021

For orientation purposes only. The official up-to-date information is available in the webpage of the School:

<https://eei.uvigo.es/en/students/academic-planning/academic-calendar/>

Examination periods

1st term: from 8/Jan/2021 to 28/Jan/2021

2nd term: from 18/May/2021 to 1/Jun/2021

Resits available for all subjects (1st and 2nd terms, all years) from 17/Jun/2021 to 15/Jul/2021

Official transcripts will be available from the following dates onwards:

19/Feb/2021 for 1st term subjects

11/Jun/2021 for 2nd term subjects

26/Jul/2021 for 1st or 2nd term subjects passed in resits

For orientation purposes only. The official up-to-date information is available in the webpage of the School:

<https://eei.uvigo.es/en/students/academic-planning/academic-calendar/>

Important notices

Incoming students shall meet the academic coordinator during her office hours (see link below) as a previous step before official enrolment <https://eei.uvigo.es/gl/internacional/contacto-subdireccion-de-relacions-exteriores/>

Students will get their Learning Agreement signed by the Academic Coordinator of the School or Faculty that is indicated in their acceptance letter.

4th year, 2nd term general elective subjects from the Bachelor Degrees can accept a limited number of students. We do our best to accommodate incoming students and this has worked well to date, but please note that enrolment of exchange students in these courses is subject to availability and confirmation is not possible until the end of December 2020.

Also, please note that full compatibility between these subjects is sought when composing the timetables but cannot be guaranteed (EEI students are supposed to choose only one of them).
